

## Clean Home and Fresh Air Vital to Good Health

No matter indoors or outdoors, the air pollutants are threatening our health, weakening and damaging our lungs. Asthma prevalence raises year by year and more and more people are diagnosed with breathing-related issues.

### How would you like to live?

Without SIRENA

With SIRENA

Mother nature have its own way to clean the outside pollutants however, indoor it could be of a challenge, there are many ways to fight the indoor air pollutants, such as cleaning out the dust and sanitizing the air in your home and this where Sirena System come into play

To guard your health against air pollution, Sirena System utilizes water and HEPA filtration to improve the air quality of your Home by trapping all dirt, germs, bacteria, and other air impurities into the water, air flows through the separator releasing extremely Fresh Air.

Especially when there is a smoker in your family, Sirena water filtration System can help reduce the harms to you and your children and create a healthy environment.

## Healthy Lifestyle

Healthy Homes are homes that are free of dust, and free from allergy symptoms for the people who live there.

**Sirena** eliminates all allergens like: dust mites, dirt, pet dander/fur, household odors, ragweed, and smoke.

Many studies link to Dust Mites as the leading causes of many skin and respiratory allergies, such as Asthma, Allergic Rhinitis, Eczema, Sleep Apnea....

**Sirena** will solve all of these problems, it uses water filtration technology to trap dust and allergens into the water, after each use dispose the water outside and all dirt and allergens will be out of your home forevermore!

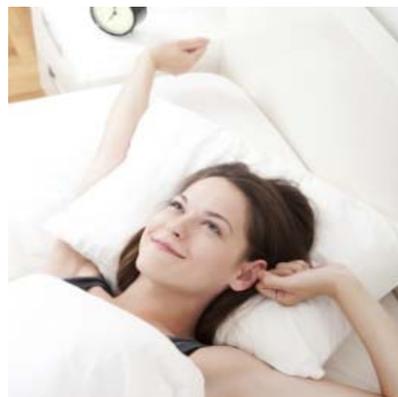

## Health & Wellness

**Health and Wellness** is defined as healthy balance of the mind, body, and spirit

**Air** is vital to human survival. Without **air**, we would all perish.

Mother nature clean the outside pollution by means of water like rain. Sirena uses the same concept of cleaning indoor pollution, by water. Sirena suck the air in your Home and trap all impurities in the air into the water and return a clean, aromatic, and fresh air vital for your mental and physical health

Add few drops of Sirena fragrances into the water and your Sirena will transform as air freshener - *wake up the next morning feeling relaxed and rejuvenated ready to work for the rest of the day.* Use Sirena Ocean Breeze deodorizer to remove odors or add few drops of Eucalyptus oil and your Sirena becomes vaporizer.
